  Unwritten Principles of the Southern Surgical Association, 547
Electrosurgical scissors, 183
Endocrine glands, living grafts of, 386
Enterostomy in intestinal surgery, value of, 53
Epispadias, complete, with absent urinary sphincters, ureterosigmoidal transplantation for exstrophy of bladder and, 776
Exstrophy of bladder and complete epispadias with absent urinary sphincters, ureterosigmoidal transplantation for, 776

Females, sterilization of, 550
Femoral and inguinal hernia, an aid to diagnosis of, 108
Filament non-filament count in mastoiditis, 46
Fistula, duodenal, 83
Fistulectomy, anorectal, 105
Flaps, skin, and skin grafts, regeneration of nerves in, 501
Fracture of tibial spine, 478

Gall bladder, tuberculosis of, 166
Ganglion, treatment of, by injection of sodium morrhuate, 151
Gastrectomy, sub-total, for carcinoma, results of, 746
Gastric ulcers in premature newborn, 818
Gastrointestinal tract, anastomoses of, 863
  syphilis of, 834
Glands, adrenal, denervations of, 378
  endocrine, living grafts of, 386
Grafts, living, of endocrine glands, 386
  skin, and skin flaps, regeneration of nerves in, 501

Hales, Stephen (Bi. B.), 190
Hernia, inguinal and femoral, an aid to diagnosis of, 108
Hernial sac, technique of ligating, 109
Hormones, ovarian, in relation to chronic cystic mastitis, 280
Hypoglycemia, spontaneous, 345
Hysterectomy, vaginal, 582

Iliac artery, common, mycotic aneurysm of, 667
Inguinal and femoral hernia, an aid to diagnosis of, 108
Intestinal surgery, value of enterostomy in, 53

Ligating hernial sac, technique of, 109
Lip and buccal cavity, cancer of, surgery applied to lymph nodes of neck in, 711
Liver, massive apoplexy of, 373
  some usually unrecognized functions of, 364
Lymph nodes of neck, surgery applied to in cancer of lip and buccal cavity, 711

Mastitis, chronic cystic, ovarian hormones in relation to, 280
Mastoiditis, filament non-filament count, 46
Matas medal (E.), 187
Metabolism, basal, 42
Metastases form malignant tumors of thyroid, 202
Metycaine in spinal anesthesia, 139
Midwifery, lectures on (B.B.), 191
Mycotic aneurysm of common iliac artery, 667

Nephrolithiasis, bilateral, surgical management of, 124
Nerves, regeneration of, in skin grafts and skin flaps, 501
Neuralgia, trigeminal, 447
New Instruments:
Electrosurgical scissors, 183
Non-crushing clamp in blood vessel surgery, 185
Universal self-retaining retractor, 184
Newborn, premature, gastric ulcers in, 818

Operation, Trendelenburg, 159
Ovarian hormones in relation to cystic mastitis, 280
implantation, incidence of pregnancy following, 563
Ovary, granulosa-cell carcinoma of, as cause of post-menopausal bleeding, 595

Parathyroidism, clinical recognition and surgical treatment of, 36
Pellıgrini-Stieda's disease, 181
Peptic ulcer, catastrophes of, 63
Peripheral vascular diseases, diagnosis and treatment of, 11
Pharyngeal or pharyngo-esophageal diverticulum, 732
Pilcher, Lewis Stephen (E.), 189
Pile clamp, anastomoses of gastrointestinal tract employing, 863
Pregnancy following ovarian implantation, incidence of, 563
Prostatic calculi, 119
resection, transurethral, present status of, 807
Purpura hemorrhagica, diagnosis and treatment of, 793
Pyonephrosis, calculous, 110

Quarantine drain, application of, in abdominal surgery, 417

Rectum and rectosigmoid, cancer of, choice of operations for, 759
Redundant cecum, its symptom-complex and treatment, 94
Resection, transurethral prostatic, present status of, 807
Retractor, universal self-retaining, 184

Sacroiliac sprain, chronic, with attendant sciatica, 456
Sciatica, chronic sacroiliac sprain with attendant, 456
Scissors, electrosurgical, 183
Sinus preauricularis, 174
Skin grafts and skin flaps, regeneration of nerves in, 501
Sodium amytal, basal anesthesia with, 134
morrhuate, treatment of ganglion by injection of, 151
Southern Surgical Association, early history of, (E.), 199
unwritten principles of (E.), 547
Spinal anesthesia, 129
metycaine in, 139
cord compression due to tuberculous abscess, 163
tumors, 1
Sprain, chronic sacroiliac, with attendant sciatica, 456
Sterilization of females, 550
Strain, so-called primary thrombosis of axillary vein caused by, 642
Streptococcus viridans, relation of, to apophysitis of tibial tubercle, 149
Surgery of aged, 487
applied to lymph nodes of neck in cancer of lip and buccal cavity, 711
Sympathetic ganglion block in mycotic aneurysm of common iliac artery, 667
Syphilis of gastrointestinal tract, 834

Teratology, 152
Thrombosis, primary, of axillary vein caused by strain, 642
Thyrocardiacs, postoperative end-results in, 225
Thyroid disease, clinical problems of, in non-endemic area, 232
malignant tumors of, metastases from, 202
Tibial spine, fracture of, 478
tubercle, relation of Streptococcus viridans to apophysitis of, 149
Transurethral prostatic resection, present status of, 807
Trendelenburg operation, 159
Trigeminal neuralgia, 447
Tuberculosis of gall bladder, 166
Tuberculous abscess, spinal cord compression due to, 163
Tumors, benign, of cecum, 88
carcinoma and others, of male breast, 305
malignant, of thyroid, metastases from, 202
of spinal cord, 1

Ulcer, gastric, in premature newborn, 818
peptic, catastrophes of, 63
Ureterosigmoidal transplantation for exstrophy of bladder and complete epispadias with absent urinary sphincters, 776
Uterus, cancer of fundus of, vaginal hysterectomy in, 582

Vaginal hysterectomy, 582
Vascular diseases, peripheral, diagnosis and treatment of, 11
Vein, axillary, so-called primary thrombosis of, caused by strain, 642
